Drill-down on the numbers directly from Excel

The screenshot shows an Excel spreadsheet titled "Cash Flow Statement". A "Drill-down" menu is open over a data point in the table. The menu options include "Show All Columns", "Clear Filters", "Export to Excel", and "Drill-down". The table below has columns for Entry No., G/L Account No., Posting Date, Document Type, Document No., Description, Bal. Account No., and Amount. The data rows show various entries with dates like 2/8/2019 and amounts ranging from -3,674.86 to 19,756.47.

Access and run reports from anywhere on the web with the Jet Hub

The screenshot shows the "Jet Hub | Reports" web interface. It features a search bar labeled "Search Everything" and a grid of report categories: Budgets, Finance, Inventory, Operations, Purchasing, and Sales. Each category is represented by a folder icon with a small red circle containing the number '2'.

"We complete reporting in about a quarter of the time with Jet Reports."
